

**EXCEEDING  
EXPECTATIONS**

EMPLOYEE BENEFITS SERVICES

# THE RIGHT PARTNER FOR THE RIGHT SOLUTION

For companies who self-fund or are considering self-funding their employee health insurance benefit program, who you partner with as your third-party claims administrator can make all the difference for your program's success. Getting off the never-ending cycle of year-in, year-out premium increases and moving to self-funding your benefits program has become the right solution.

## WHY IPMG?

### **Firstly: commitment.**

Our commitment to your program's success is the primary factor that motivates each member of your IPMG service team to go above and beyond in their day-to-day servicing of your program.

### **Secondly: resources.**

Your success is our success. This is why IPMG has developed the resources needed to help our self-funded clients meet their goals.

# THE IPMG DIFFERENCE

**EASY, EFFICIENT AND ENCOMPASSING PLANS TO SIMPLIFY IMPLEMENTATION**

**ENHANCED BENEFITS AND COST CONTAINMENT FEATURES**

**SEAMLESS EXPERIENCE VIA INTEGRATED SERVICE OPERATIONS**

IPMG's Employee Benefits Services (EBS) division is a full-service TPA, bringing together a dedicated service team, innovative technology solutions and a focus on serving the total health needs of participants while providing industry-leading client and member service. While operating from a foundation of strong operational and technology capabilities,

the EBS team's primary focus is always on serving our clients and their members. We offer an array of self-funded benefit plan designs and products, including claims administration and all related supporting functions. IPMG is committed to delivering innovative, cost-effective benefits solutions and exemplary service.
